

## Tourist, recreation, parks & sporting facilities

This category covers the most diverse range of works, needs and possibly deserves the most space. However a small selection of representative examples is provided. - Please ask for more information on the 'Contact' page if you have specific enquiries.

A small but fairly diverse range of project examples include:

### Holiday Unit & Resort Developments:

- § Rainbow Holiday Village cabin developments: sketch, detail design & contract administration.
- § Stoney Park Water-ski Tournament Lakes, Telegraph Point: environmental and amenity tree planting, sketch & detail design.

### Recreation & Park Projects

- § King Neptune's Park Sea-lion enclosure: sketch & detail design.
- § Port Macquarie RSL Club: sketch and detail design.
- § Port Macquarie Town Green: sketch design, this in response to an adjacent controversial development 2006.
- § Timbarra Estate community lands upgrade: sketch and detail design.

### Sporting Facility Designs include:

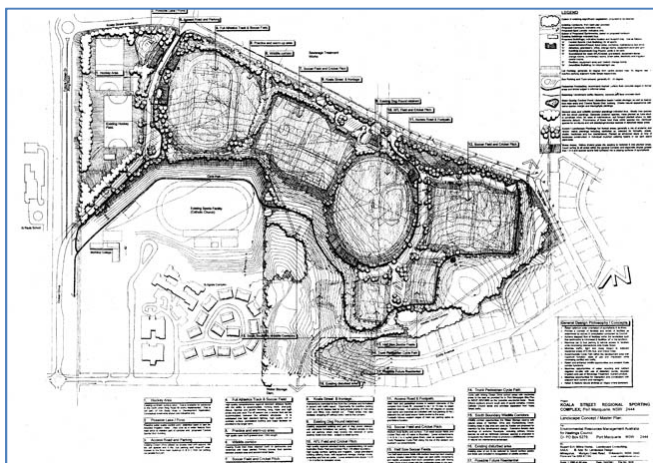

- § Wayne Richards (Koala St.) Regional Sports facilities: guiding master plan for DA.
- § St Josephs Regional College: two high grade sportsfields and central athletics facilities, involving, irrigation, drainage and structured soil profile: concept, sketch, detail design & documentation and contract administration.

Beachcomber Resort.
