

Urban and town centre master planning

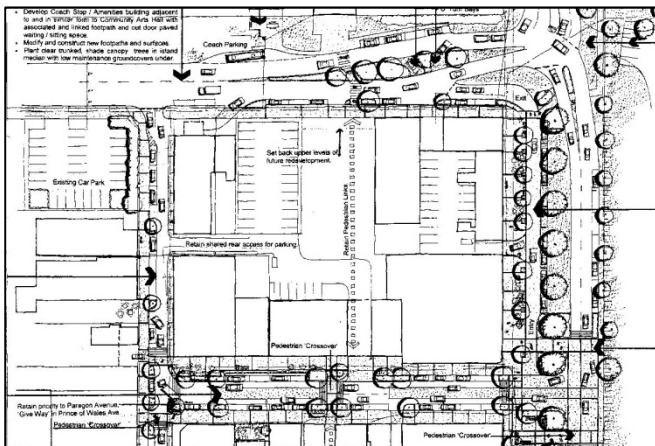

Generally involving understanding of the fabric and essence of the place, to develop simple practical solutions to promote safety, comfort, business activity and attractiveness.

Project examples include:

- § Port Macquarie Town Centre Master Plan Works, involved as a member of the steering committee for the concept development and the design team for detail design and contract administration.
- § South West Rocks, Settlement City, Nambucca Heads & Nyngan Town Centre Master Plans.
- § Telegraph Point, Bulahdelah, Coramba & Nana Glen Village Master Plans.
- § Tuncurry & Moree Major Roads & Highways Master Plans involving rationalisation of traffic movements to facilitate significant street-tree planting to improve heavy & normal vehicle traffic and pedestrian movement in safer more comfortable streets. The Moree project involved some 18kms of streetscape.
- § Hastings River Drive upgrade: sketch & detail design.
- § Narrabri CBD area master planning.
- § Sovereign Hills Town Centre Lakes redesign.

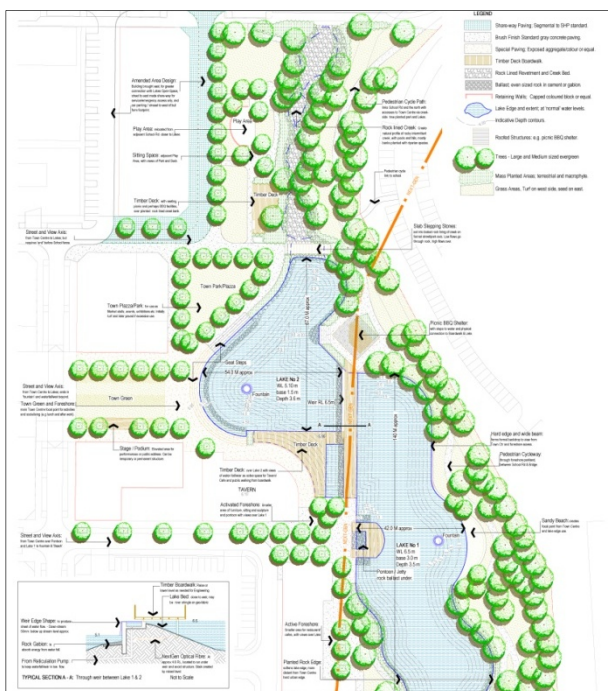

Horton Clarence Streets intersection.

South West Rocks town centre master plan.

Bowra/Ridge Streets intersection, Nambucca Heads.

Sovereign Hills town centre lakes, redesign.
